## Student Short Term and Temporary Accommodation Options

The best option for short term and temporary accommodation for new international students in Australia is to spend their first 4 weeks in a properly hosted Homestay program.

Homestay is a cultural exchange between a local individual or family (called a Host) and a visiting student. The student lives as a guest in the host family's home.

### Why is Homestay a great option?

Homestay Hosts are trained to assist international students:

- Settling into their new community
- Understanding the basics of Australian culture
- Everyday conversational skills
- Learning the basics such as buying transport tickets, where the local shops are, how to access banking, internet, mobile phone and personal safety tips
- Frequently used English and 'Aussie' words and phrases

Unlike other accommodation options students **don't** need to sign any long-term contracts, pay a bond, find furniture or search for a property themselves. Students are matched by a fully trained Homestay Supervisor to a suitable Homestay Host according to the needs of the student and education provider location.

### What is included in Homestay?

Homestay student is provided with:

- A clean furnished room (this includes items like a bed, desk, wardrobe, chair and a study lamp), as well as a supportive family environment and home to live in
- Meals (as specified) and accommodation (including utilities)
- Ongoing Homestay host and student support
- Homestay Supervisor 24/7 professional phone support
- AHN Contents Insurance for students and hosts as per AHN Insurance Policy
