0235a.m: Early dawn arrival at Perth International Airport, meet and greet then transfer to your hotel to rest before breakfast. After breakfast then proceed for your City Tour of Perth. "Good Morning Perth city". Perth became known worldwide as the "City of Lights" as city residents lit their house lights and streetlights as American astronaut John Glenn passed overhead while orbiting the earth on Friendship 7 in 1962. The city repeated its feat as Glenn passed overhead on the Space Shuttle in 1998. Overnight at CriterionHotel or similar.

**Day 3: 29May Wildlife Park (Breakfast)**

The Wildlife Park is a large area with enclosures for a huge variety of native Australian animals. The most popular exhibits include the kangaroos and koalas, the most well-known of Australia's unique marsupials. Other special moments include being able to hold a wombat (weighing around 20kg or 45 pounds), watching Tasmanian devils feed, or hearing a kookaburra laugh, or ride a camel which, although not native to Australia, now live wild in the northern desert areas of the country. After tour transfer to hotel and free at leisure for the rest of the day. Overnight at CriterionHotel or similar.

**Day 4: 30May Full Day Fremantle Market (Breakfast)**

Fremantle oozes a vibrant mix of cosmopolitan class, funky culture and warm, heritage charm. Known as the world's best preserved example of a 19th century port streetscape and boasting Western Australia's largest collection of heritage listed buildings, there is no doubt that Fremantle possesses a depth of character that cannot be replicated elsewhere. Its cappuccino strip is jammed packed with lively restaurants, streets are abuzz with shoppers and historical pubs brim with patrons from across the globe. The city's multicultural mix is most evident in its food and restaurants. Overnight at CriterionHotel or similar.
