

## Bird-Watching Tour

Type: 3 days 2 night | Minimum 2 Persons | Departure: 06:00 Daily

### Overview:

Beautiful Brunei located on the Island of Borneo, is an undiscovered paradise for many exotic bird species. Bird watchers from around the globe often forget the astounding array of bird life seen in Brunei. Within a short distance of the capital, birds such as the eastern crimson sunbird and Nightjar fly freely through the countries beautiful parks and forests.

The landscaped gardens of Tasek Lama Park, play host to our first bird watching stop. Around the forested areas nestle sunbirds, leaf birds, bee eaters and even frogmouths. Now, the adventure really begins, as we take a mangrove river safari to spot waders, bitterns, herons and egrets. Our final park is one of beautifully manicured parkland nestled amongst dense mangrove forests. Here you will get the chance to spot a mixture of garden birds such as the zebra dove and mangrove birds such as the kingfisher.

In addition to this once in a life time bird watching experience, you will get to see Brunei's famous landmarks such as the Jame Asr' Hassanil Bolkliah Mosque and Royal Regalia Museum. You don't even have to worry about your meals or transfers as we will take care of that for you. All of our sights have been specially chosen to bring you the most of out your time in Brunei.
